THE BARRIE AND DESMOND WALLPAPERS

This collection of fine hand blocked wallpapers and wallpaper borders includes many fine reproductions of original fragments in the world's finest museums. In many cases the original antique blocks have been found and are now being used to reprint these patterns.

Aside from the fact that all of these patterns are printed by hand, many of them are printed upon the finest hand made paper, thereby giving the reproduction the full charm of the original antique fragment.

Notwithstanding the fact that these papers have been so faithfully reproduced, the prices are very moderate. The borders range from 30c to 90c per yard; the friezes from $2.50 to $4.00 per yard; and the wallpapers from $5.40 to $12.00 per roll.

The most popular of these hand-blocked borders, ranging from 1" to 6" in width, have been conveniently bound and are available to the trade at $1.50.
